

**Team Name:** Software Surge  
**Report Number:** 5  
**Reporting Week:** 5

**Summary of work completed in prior week:**

This week our team continued working on researching more about frontend and backend systems to help determine languages and platforms we'll use for building Majorizer. We also met to build a hierarchy of requirements by priority and built our requirements presentation.

**Summary of work planned for next week:**

This week we will continue learning about frontend and backend, and will complete our requirements presentation and present either this week or next.

**Open issues and action plan to resolve them:**

At the moment our team has no active issues.
