

Team Name: Software Surge
Report Number: 12
Reporting Week: 12

Summary of work completed in prior week:

This week our team focused primarily on the backend, with the backend team working on the forecasting algorithm and prepping for integration. The frontend team worked on some smaller edits to the frontend.

Summary of work planned for next week:

Next week we will continue our work on the backend of the website, and continue working towards integration of the frontend and backend.

Open issues and action plan to resolve them:

At the moment our team has no active issues to discuss.

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
